A unique opportunity for prizewinners to establish an international reputation.

III. JURY

MEMBERS OF 2024 VOICE JURY

The appointment of the seven Jury members is the sovereign responsibility of the Artistic Committee. Members are chosen for their international recognition in the music world, regardless of any racial, ideological, political or linguistic considerations.

EXCERPT OF JURY RULES

The Concours de Genève has a strict set of rules by which juries must abide. These include both general rules and voting procedures that change in accordance with the various stages of the competition. Here are a few defining features:

- The Video Preselection Round consists in the viewing of video recordings sent by candidates. At least two members of the Official Jury take part in the Preselection Jury.
- The Jury abstains from voting for candidates that have been their students on a regular basis during the two years preceding the Competition, or that will become their students within the six months following the competition. This rule is no longer applicable during the Final Round.
- Members of the Jury are forbidden to communicate with participants or those close to them during the entire competition. They are required to respect the principle of confidentiality.
- The President of the Jury votes in the same way as the other members. In the event of a tie, her/his vote counts for two.
- Official prizes are attributed in two phases: first, the Jury establishes a ranking of finalists, then decides whether or not the best amongst them deserves a First Prize.
- All prizes are not necessarily awarded.

FEEDBACK

Participants eliminated during the Online Recital stage will receive a feedback from Jury members.

After the Semi-Final Round, Jury members will remain available to candidates who have not passed to the Final Round, in order to provide feedback on their performance.

The juries deliberations are governed by internal regulations. Their decisions are final and there is no right of appeal.

IV. MISCELLANEOUS

Candidates who advance to the Semi-Finals must present themselves at the Welcome Ceremony with their own original musical scores.
